Hi Charis,

Please find attached our staff-to-staff comments (Word file entitled "Staff-to-Staff_EPA_Comments_NPL_Project_General_Conformity_Dated-2-15-17") regarding the BLM's draft general conformity analysis and determination for the NPL Project. Our comments, labeled as "Enclosure 1," focus on the five permits (copies attached) that the BLM provided via an email on October 14, 2016. Also provided for reference, as "Enclosure 2," is the BLM's draft general conformity document. We also evaluated the

associated Excel spreadsheet, for the general conformity analysis, that the BLM provided via an email dated September 21, 2016. Finally, we have provided a copy of the State's 2008 Interim Policy which we used as a reference for our review.

Thank you for the opportunity to review the draft NPL Project's general conformity analysis and determination. Please let me know if you have any questions and too, if you would like to arrange a subsequent discussion of our comments.
